

• Presensi of Employee

Node JS Express JS MYSQL React JS Bootstrap 5 Ant Design Typescript

<https://github.com/diky-satria/fullstack-presensi>

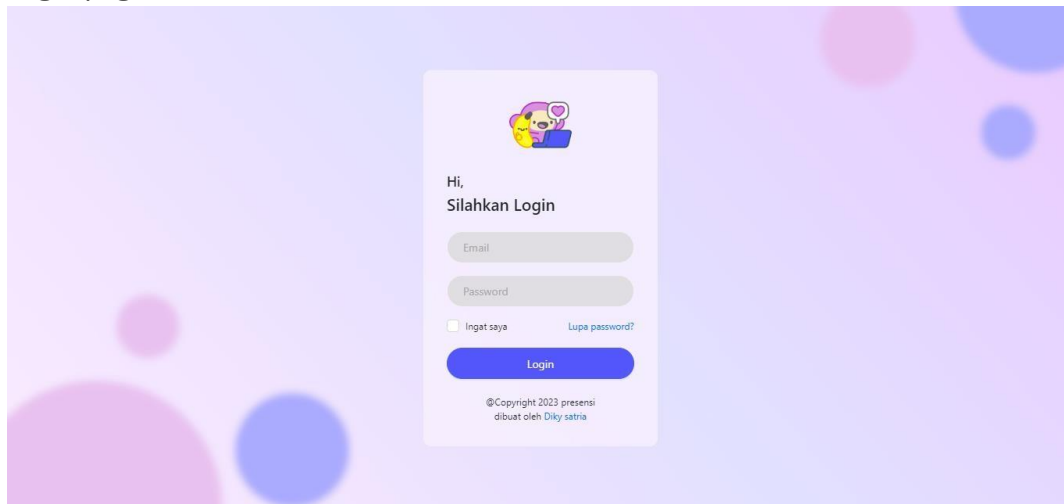

A web-based attendance application that uses photos and locations as media evidence that employees have been absent. Employees can do attendance with a distance of less than a 20 meter radius from the office. This application has 2 access roles, namely, admin and user.

6. Change password page

The screenshot shows the 'Ubah Password' page in the Presensi application. The page has a light purple background with large, faint blue and pink circles. On the left, there is a sidebar with a clock icon and a menu containing 'Dashboard', 'Master Data', and 'Ubah Password' (which is highlighted). Below the menu is a 'Logout' button. The main content area is titled 'Ubah Password' and includes the instruction 'Ubah password sekarang'. It contains three input fields: 'Password Lama', 'Password Baru', and 'Konfirmasi Password Baru'. A blue 'Ubah password' button is located below the input fields. In the top right corner, the user is identified as 'administrator'.

- User

1. Login page

The screenshot shows the Login page in the Presensi application. The page has a light purple background with large, faint blue and pink circles. In the center, there is a white login card. The card features a cartoon character icon, the text 'Hi, Silahkan Login', and two input fields for 'Email' and 'Password'. Below the input fields are two links: 'Ingat saya' and 'Lupa password?'. A blue 'Login' button is at the bottom of the card. At the very bottom of the card, there is a small copyright notice: '©Copyright 2023 presensi dibuat oleh Diky satria'.

2. Presensi page

The screenshot shows the Presensi (Attendance) page in the Presensi application. The page has a light purple background with large, faint blue and pink circles. On the left, there is a sidebar with a clock icon and a menu containing 'Absensi' (highlighted), 'Riwayat', and 'Ubah Password'. Below the menu is a 'Logout' button. The main content area features a large photo of a man. Below the photo are two buttons: 'Absen pulang' and 'Ulangi'. At the bottom of the page, there is a map showing the user's location with coordinates '6°12'31.6"S 106°50'44..." and a red pin. The map is titled 'View larger map' and shows the area around 'Jl. Sultan Agung' and 'Jl. Timbuk'. In the top right corner, the user is identified as 'diky satria ramadanu'.
